Sycamore Cottage
St Mary, Jersey

A charming original granite home that has been the subject of a major sensitive and applauded renovation and extension, is now available for sale and is ideally suited to the family who will enjoy walking in the countryside.

The warm granite home is South facing and sits on a large plot of land where pets can roam, and the family can enjoy exercise in peaceful surroundings.

Just minutes away from the Devil's Hole Inn and the shops and inns in St. John, it will suit a family who enjoy the outdoors and privacy.

There are four bedrooms, three bathrooms, three reception rooms and wooden floors set against beautiful, exposed granite features.

Outside there is a natural freshwater pool, children's adventure areas and lawned and natural areas to roam.

The position of the house and garden means that it enjoys much light and sun during the day.

Nearby walks are National Trust land where the family can take leisurely walks away from the bustle.

Sycamore Farm has been lovingly renovated with pride by a craftsman builder.
